

Bush Classroom Working Bee!

Help clean up our unique Bush Classroom for our kids then enjoy a Sausage Sizzle lunch.

9am - 12.30pm
Sunday 19th June

Reinvigorate our Bush Classroom!

Ku-ring-gai Council has provided us with a bush regeneration expert to guide us through cleaning up, repairing and regenerating the area for our teachers and students to use as a unique learning environment.

Scarecrow making for the kids!

Children are welcome to join in the working bee with parents and can also have fun making scarecrows for our wonderful Ecogarden.

Please support this great project that will benefit all our students!

Call Linda Croft on 0421 229 833 or go to www.sippspandc.org for more information.
