

Bush Classroom Working Bee

Help restore our unique Bush Classroom for our kids then enjoy a FREE Sausage Sizzle lunch.

10am – 12.30pm
Sunday 28th August

Restore our Bush Classroom!

A Ku-ring-gai Council bush regeneration expert will provide all tools and guide us through repairing and regenerating the area for our teachers and students to use as an educational environment.

Scarecrow making for the kids!

Children are welcome to join in the working bee with parents and can also have fun making scarecrows for our Ecogarden.

Please support this great project that will benefit all our students!

Call Linda Croft on 0421 229 833 or go to www.sippspandc.org to register for the event.
