The quick, simple and effective solution for managing children's difficult behaviour.

In just 3 hours you will learn to:

- Help kids learn not to overreact.
- Build kids emotional maturity and resilience for greater social and academic success.
- Improve your parenting confidence and improve family bonds.

"I would recommend this e-course as an excellent first port of call for parents wanting to learn strategies to discipline their children with greater confidence."

— Dr Toula Tsovolos, Child & Adolescent Psychiatrist.
