

What is Relay For Life?

Relay For Life events are where teams may take part in a walkathon style event by taking turns walking or jogging around a local oval to raise funds for cancer research, education, support services and advocacy. It's a 24 hour event for all ages and fitness levels and participants can choose to come for only part of the event and enjoy the festival atmosphere. It's up to them.

The event helps the community to fight back against cancer whilst celebrating those who have survived cancer and honouring those who we have lost. It is also an opportunity to educate about ways to reduce cancer risk and adopting a healthy lifestyle but in a fun way through a variety of entertainment and activities.

Event Details

Register a team for the Relay!

Anyone and everyone in the community has a chance to celebrate, remember, and fight back. Relay offers you the chance to give back to the community in a fun & unique way while enjoying a full program of entertainment and activities for all ages and fitness levels. For those who have been touched by cancer, it provides a lovely way of supporting those loved ones who are going through their cancer journey or honour those we have lost.
