

SCHOOL HOLIDAY CLASSES AT MACQUARIE UNIVERSITY – mq.edu.au/about/holidays

- Children are introduced to science concepts and skills in a safe and supervised environment at Macquarie University.
- Courses aim to teach the concepts through experiments, art, drama, physical activity, craft and other hands-on activities.
- We provide students with experiences and activities that help them to understand a concept or gain knowledge in an active way.
- We add and rotate courses each school holidays and drop off and pick up times are designed for the working parent.
- The Junior Science Academy is for children in years K–6 in primary school.
