Seed Harvest Spoon

On Monday the ^{11th of September} magnificent Natalie
Dance returned ~~to~~ to St Ives park public
School. wk 1

We learned about bees All
different types of bees eg blue
banded bee, Sugar bag bees, fat
cutter bee, ^a European bee and
lots of others.

The last day of Seed Harvest
Spoon we made a stir fry
it was made from

Evie

Silver beet, carrots, peppers, egg
plant and noodles. Then we cooked
them. When I mean them it
means all of them. Order
noodles first and all the rest
in at once.

After it was cooked we
got to taste it. It tasted like
red, orange, yellow, greens, blue,
purple, pink all mixed together.
Oh I almost forgot we
got to do jobs.

We got to cut, wash and
pick all sorts of things.

In the end we had onions
and lots of different types

of green Beautiful! Did you
enjoy it? I did byebye I
will See you next Seed Har-
vest Spoon.
