

Do something life-changing this year

Teach ethics at your
local school

**For around an hour a week, you can teach an ethics class
at your local school and help children develop skills for life.**

Ethics classes support children to develop the skills they need to voice their opinions, consider the ideas of others and to make decisions based on evidence and reasoning rather than habit or peer pressure.

In ethics classes, children discuss ethical issues using an approved curriculum designed for each age group and include topics such as Laziness, Voting, How can we work out what's true? and Imagining how others feel.

Volunteers are needed now to teach ethics classes at a school near you. Training and support is provided.

Only about an hour a week
