## korner

This week in Kindergarten we have been talking about how we can be a good friend. We are concentrating on graphing and the sound sh. We have also been continuing to do a whole lot of fun hands on activities using words and letters.

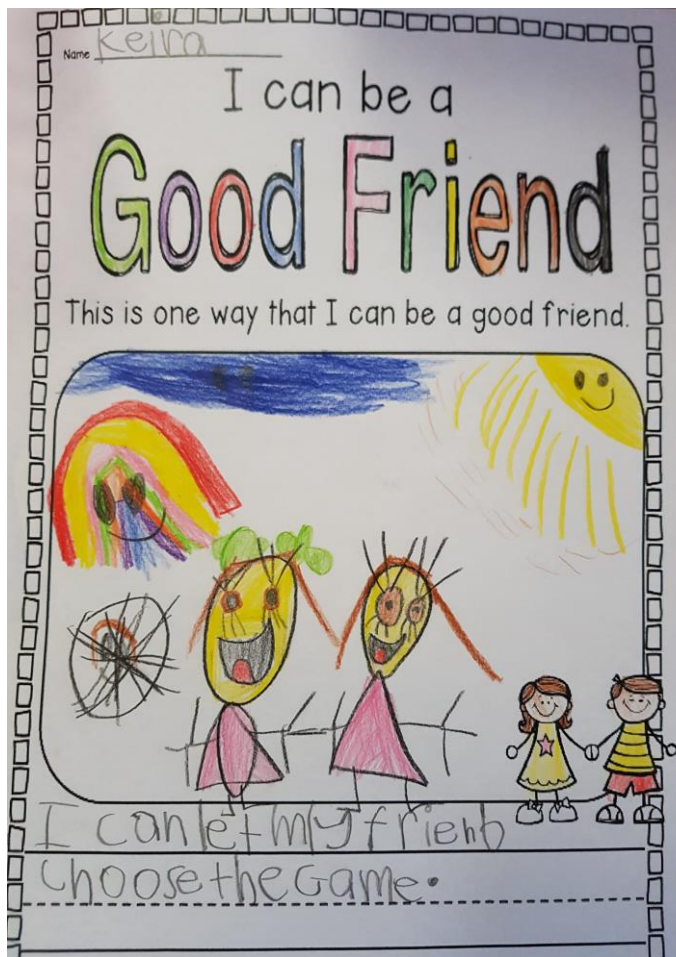

Who knew learning was so much fun!

I am Harrison. I am making a necklace out of beads and string. The beads are alphabet beads. My necklace says "Harrison".

We are playing bingo. We take turns choosing a letter. We have to match the letter to the picture. If you get the right one you put a counter on it. Phoebe & Keira O

I am sitting in the sun with my friends. We are talking. I am a good friend because I play fun games and everyone has a turn.

We are having fun in literacy groups. We are writing words and drawing pictures. We work together as a team to help each other.
