

# KINDERGARTEN

## korner

This week in Kindergarten we have been learning how to use the app Pic Collage on the iPad's to make fantastic Collage's about different things such as, living and nonliving things, the position of different objects around our school and shapes that we could find in the playground! We have also been learning about lots of different words that have th in them and learning how to take away in Maths!

On the hunt for living  
and nonliving things at  
SIPPS for our PicCollage!

We took some pictures of living and nonliving things.

-Jenson

I took a picture of a bench. A bench is a nonliving thing because it can't breathe or move.

- Xavier

We learnt about the different words we can use to describe the position of different things in Maths!

The motorcycle is behind the fence and the plants are in front of the fence.

-Charlie

My PicCollage is of a tree in the sky and the leaves on the grass.

-Hunter

On Friday mornings, we turn into the Kindergarten Seamonkeys and spend the morning together doing lots of activities such as our Secret Sentence, craft and sport. For sport we go outside to play with the balls and make new friends!
