PARENTS & CITIZENS
ASSOCIATION

**Working out about the same cost
as a take-away cuppa a week, your
annual donation is the infusion
our school needs.**

Dear Parent

The SIPPS P&C is passionate about supporting our school and the school community to ensure that our children get as many opportunities to learn and grow as possible. Accordingly, each year, the SIPPS P&C ask all parents for a voluntary contribution.

At the P&C we brew up social events for fundraising. However this money falls short of the infusion we actually need to fund the school.

We have an exciting opportunity to use your voluntary contribution to help fund refurbishment of the playspaces for the students of St Ives Park to enjoy.

Please complete the form below, marking the amount you can give, then **return it to the office by Friday 30th June 2018**. All forms returned by this date will go into the draw to win a beautiful wooden Twinings tea chest.

If you would like to donate more than the suggested amount to ensure the proposed initiative is funded, your generosity would be greatly appreciated.

To thank you for your support, we hope you'll accept the enclosed tea which has been kindly donated for your next cuppa and take time out to reflect on all the play and educational opportunities we'd like to create for our children.

Thanks in advance.

Yours sincerely,

The SIPPS P&C Committee
