

KINDERGARTEN

korner

What a busy and exciting last couple of weeks we have had in Kindergarten! We are going to tell you all about it....

Pulling our best pirate faces! Arghhhh!

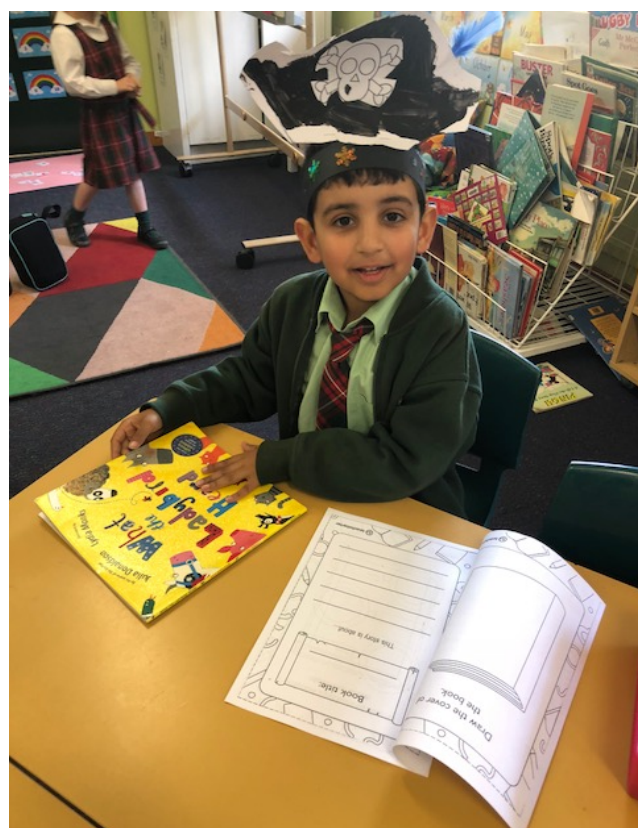

We went on a Treasure Hunt and it was fun! There were lots of chocolate coins hidden in the playground. They were on the trees, the benches and the poles. My coin was on the tree!

Literacy Groups

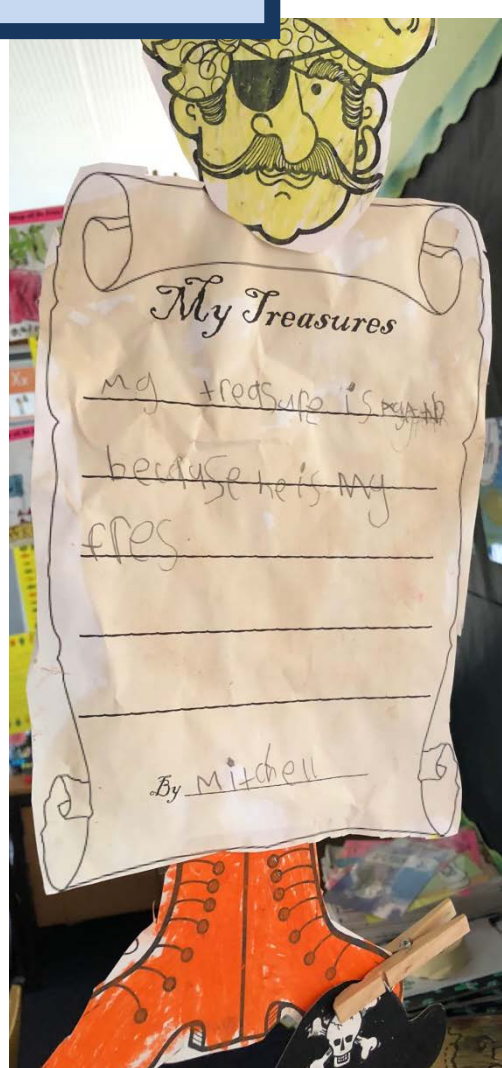

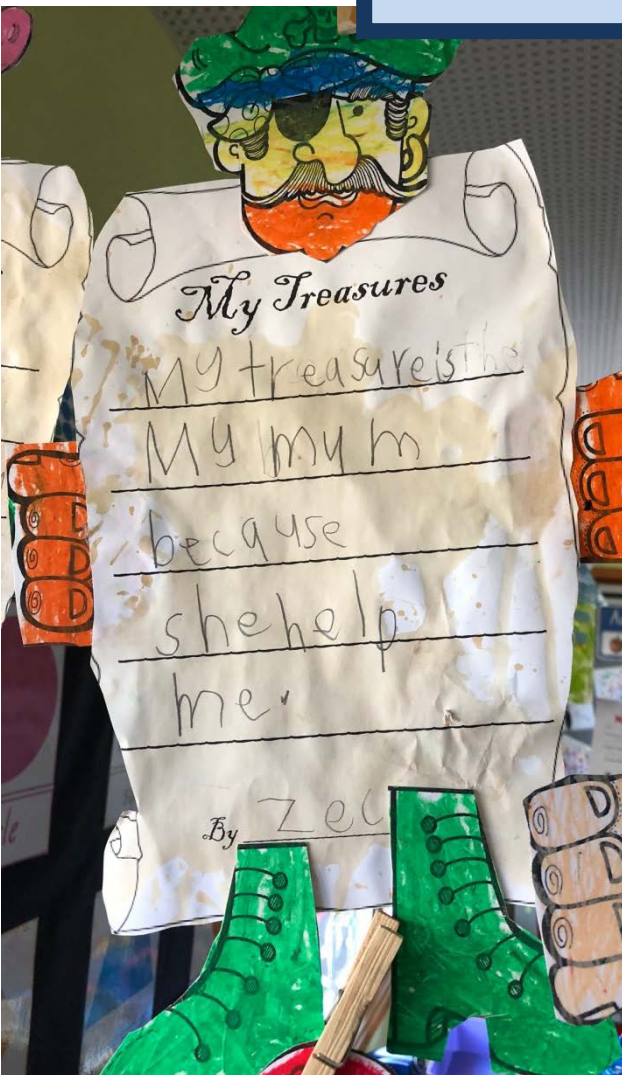

We had pirate themed literacy groups during Book Week. We wore pirate hats and did lots of pirate activities. We found coins hidden around the classroom with our sight words written on them, with our best handwriting we had to write the letters that we had found on a treasure map, we made our own treasure maps for the beebots and we also played lots of pirate games on our Interactive Whiteboard. We also brought in our most treasured books and wrote a book report on it.

- The Monkeys (K Red)

To go with the Book Week theme 'Find Your Treasure' we wrote about something in our life that we treasure.
