

KINDERGARTEN

korner

This is the last week with our teachers Miss G, Miss Yeung and Miss Bortz. They have been teaching us lots of new things like equal and unequal groups in Maths. We have also started our new topics for Science and Geography. In Science we have been talking about objects and the materials that they are made from. In Geography, we have been discussing special places in our lives - we all drew and labelled a picture of our homes. This term we have also started Dance on a Tuesday in the hall. We have so much fun grooving to the music!

Miss Bortz, Miss G and Miss Yeung teaching us during Literacy Groups. They have been helping us with our sight words, writing and sounds!

At dance we do lots of spins
and we dance like pandas.
We slash the imaginary
fruit like ninjas! We dance
to 'I Like to Move It, Move
It'. I like dance!

- Poppy and Hamish

Lunch Time at SIPPS

At lunch time I like to play
'Duck, Duck, Goose' with my
friends.
-Phoebe

At lunch time I like to play
on the oval
-Jasleen

I like to play 'Survival Tag'
-Blake

We like to chase
each other in the
playground at
lunch time.

-Charlie and
Arya

At lunch we built
a nest for the
birds. We made it
out of grass,
sticks and leaves.

-Marc, Poppy,
Keira W and
Sophia
