

P&C Meeting - Principal Report – 20 February 2019

Welcome back! It's been a wonderful start to the year. We are all off to a great start with students now well settled into their 2018 stage classes and they have been amazing with their attitudes and behaviour.

The P&C is an important source of support for achievement of a Positive and Respectful Learning Community. Staff are looking forward to working closely with the 2019 P&C executive team and parent volunteers in 2019 to ensure all students enjoy a quality, enriched curriculum and many opportunities to connect, succeed and thrive at SIPPS.
