Reading Together

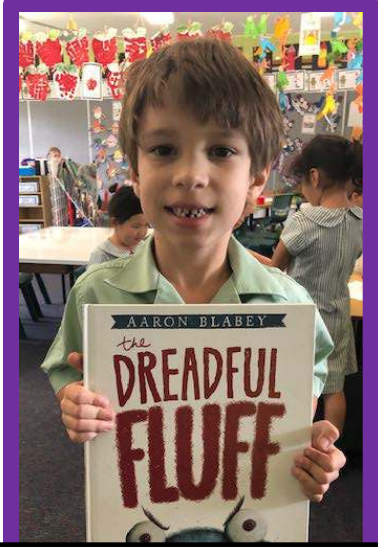

Every day Mrs Meyers reads lots of stories to us. Reading these stories helps to build our vocabulary, comprehension skills and gives us an appreciation for books. It's one of our favourite parts of the day! Here are some of our favourite books we have read together.

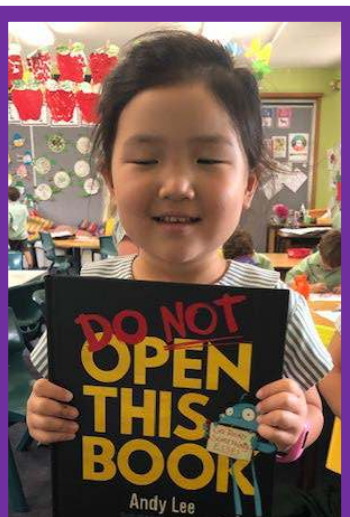

I loved Mopoke because he turns into a wombat.

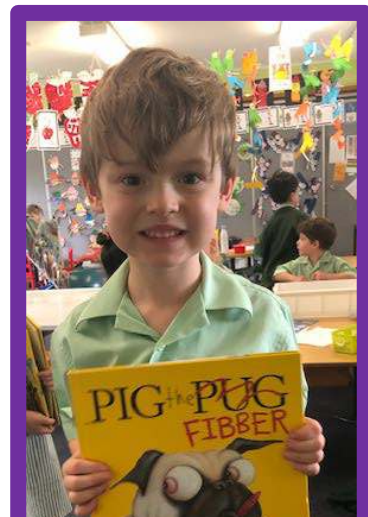

I love this book because it is funny.

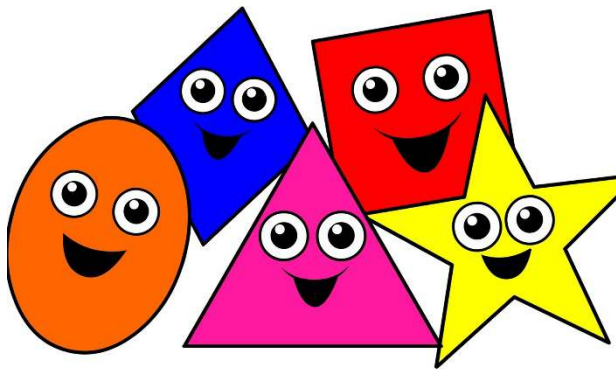

I loved the Dreadful Fluff because it is funny.

I love this book because it is funny and he turns into a frog.

I loved reading Pig the Fibber because the last page is my favourite.

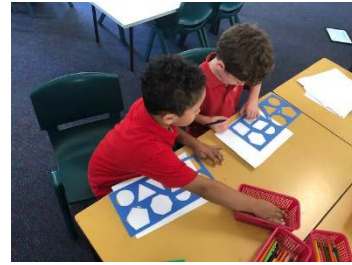

Maths

SHAPES! SHAPES! SHAPES!

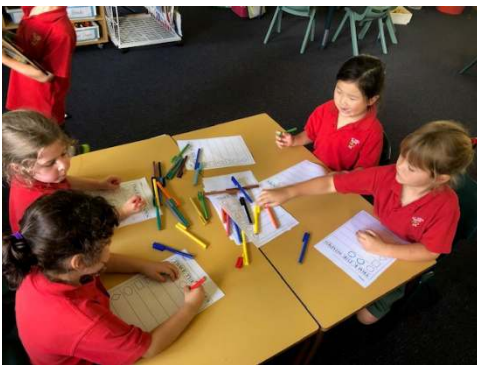

In Maths we have been learning all about 'Shapes'. We have been doing lots of activities to help us remember the names and properties of all different shapes. Did you know a rectangle has 4 straight sides, 2 that are long and 2 that are short, and 4 corners? We bet you didn't know that a dodecagon has 12 sides and 12 corners! Our shape song (which we want to listen to all day, every day!) taught us this!

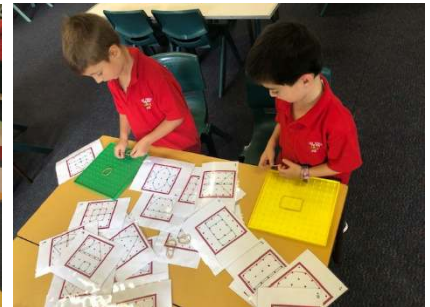

We're going on a shape hunt! We discovered so many circles, rectangles, squares and triangles in our classroom!

We used stencils to create a picture. Here is Jacob's picture of a 'fire breathing, ginormous T-Rex!

We traced shapes using textas.

We used geoboards and elastic bands to try to make the different pictures.

We played a game on the board where we had to construct different buildings using shapes.

We are KIND-ergarteners!

As part of Bullying, No Way! Day we started a 'Kindness Tree' in our classroom and we have continued to use it when Mrs Meyers sees us doing something kind for someone else. Here are some ways Mrs Meyers has caught us being kind.

I showed kindness by picking up the pencils when Mrs Meyers dropped them.
She didn't even ask me to!

Charlotte

I showed kindness by saying 'Good Job, Maya!' when Maya did something really good!

Charlotte

I showed kindness by getting someone a tissue when they were feeling sad.

Daniel

I showed kindness by giving Seava a hug when it was her birthday.
