Raise \$16k to install speakers and microphone system in the COLA

GOAL 04

ELECTRONIC SIGN

Raise \$50k to replace the front of school sign with a new LED sign

Thank you in advance for your 2021 SIPPS P&C Voluntary Contribution.

This year we have made it simpler to help, by splitting contributions into instalments by Term via the school's quarterly invoice. Whilst the school voluntary contribution supports resources in the classroom, the P&C voluntary contribution supports additional resources and facilities around the school, as outlined in this P&C flyer. Thank you in advance.
