

## Come teach ethics at St Ives Park Public School

We are building an ethics program at St Ives Park Public School with lessons delivered by Primary Ethics volunteers.

In ethics, students explore everyday issues suitable for their age. They learn to listen closely to each other, to disagree without putdowns and to think carefully as they form their opinions.

We have children on waitlists and want to give them the opportunity to take part in ethics. To do that we need more volunteers to teach.

You can teach ethics if:

- You're interested in what children think and you have an interest in learning
- You're willing to learn how to use our lesson scripts to ask children ethical questions
- You can remain neutral and give the children space to think
- You're available each school week every Wednesday at 11:40am for a 35 minute lesson. You'll need about an hour each week to prepare and give the scripted lesson
- You complete our free training, pass background checks and willing to comply with Department of Education requirements

You will join a great community of Primary Ethics volunteers across NSW. You'll have the rewarding opportunity of listening to the fantastic students at our school and helping them grow. You'll develop new skills yourself – facilitation skills, plus skills in communication and active listening.

Primary Ethics provides free, comprehensive training with online self-paced learning plus trainer-led workshops (by Zoom or face-to-face).
